Bonal International, Inc. Reports Very Strong Third Quarter Results for Fiscal Year 2018

Royal Oak, Mich., February 14, 2018 – Bonal International, Inc., (OTC: BONL) announced today strong third quarter unaudited results ending December 31, 2017. Revenue for the third quarter was \$581,603, up 47.9 percent over last year’s third quarter of \$393,298. Net income for the quarter was \$68,467, up from a slight loss of \$5,060 for the same quarter last year. Earnings per share were \$0.04 compared to breakeven for last fiscal year’s third quarter.

“The third quarter continued the strong sales trend. Sales by volume were up 46 percent in this quarter over the same quarter last year,” said Thomas E. Hebel, President and CEO of Bonal International, Inc. “We are seeing the resurgence of the American metalworking market which amounted to a 74 percent increase in our USA sales by volume in the first nine months of this fiscal year.”
