Bonal International Posts Solid Third Quarter

Royal Oak, Mich., February 17, 2015 – Bonal International, Inc. (OTC: BONL) announced a solid third quarter with a 16 percent increase in revenue to \$505,519 as compared to prior year of \$436,626. Net income increased significantly to \$158,475, whereas the previous year's third quarter was a loss of \$22,435. Earnings per share also showed an increase of \$0.09 compared to the previous year's \$0.01 loss. Reflecting Bonal's performance this quarter, the nine-month total of \$1,558,520 represents a one percent increase from last year's \$1,537,028. Net income for the first nine months of the fiscal year is \$296,718, up from \$146,257 one year ago. Earnings per share rose to \$0.17 from last year's \$0.08.

During the quarter the board of directors approved a dividend of \$0.05 per share based on special, non-reoccurring, circumstances.

"Bonal's third quarter provided a nice increase over the second quarter figures. The number of sales into foreign countries that occurred in this quarter was the highest of the fiscal year, and accounted for 43 percent of our revenue by volume, said Thomas E. Hebel, chairman. "In addition to increased foreign activity we experienced the impact of continued customer loyalty, through additional orders and referrals, which also contributed to over 40 percent of our revenue by volume."

During this quarter Bonal received proceeds from an insurance policy which is classified as non-operating income for \$100,237. Excluding the special proceeds, net income for the nine-months was up 34 percent compared to last year's nine-month net income.
