Bonal International, Inc. Appoints New Auditing Firm

Royal Oak, Mich., March 20, 2015 – Bonal International, Inc. (OTC: BONL) has announced that its board of directors has selected a new accounting firm to audit its financial statements and prepare its tax returns. The newly selected firm is Godfrey, Hammel, Danneels and Company P.C. (“GHD”), of St. Clair Shores, Michigan. Mr. Thomas E. Hebel, the Company’s President, noted “The GHD team of professional auditors and consultants is a good fit for Bonal International” and further noted that there were no disputes with the previous accounting firm. GHD will audit the Company’s financial statements beginning with fiscal year 2015.

Bonal International, Inc., through its wholly owned subsidiary, Bonal Technologies, Inc. is the patent holder and world’s leading provider of sub-harmonic vibratory stress relief and weld conditioning technology. Bonal provides three lines of equipment – Meta-Lax® Stress Relief and Weld Conditioning, Pulse Puddle Arc Welding®, and Black Magic® Distortion Control, which are sold in the United States and more than 60 countries worldwide. Headquartered in Royal Oak, Michigan, Bonal serves the aerospace, automotive, defense, die casting, machine tool building, mining, mold making, power generation, racing, shipbuilding, and welding industries. Bonal’s Meta-Lax technology is used to eliminate thermal stress in metal parts, thereby preventing warping and cracking, at a fraction of the time, energy, and monetary costs of competing technologies. More information can be found at www.Bonal.com or by calling 1-800-Meta-Lax.
